

Collections MOSAiC is designed with flexibility in mind.

Low cost and easy to install. The system is very capable, easily customisable, requiring little or no technical expertise.

We at IST are renowned for being willing and able to help with any MOSAiC problem.

Our advice? "Call us first. It may be the only call you need to make"

Getting started

- Low cost
- Everything is included in the installation kit - no prerequisite software
- Easy installation - for a Standalone system, pressing Enter is all that is required
- Opt for a Multi-User system to cater for 2 or more concurrent users.
- No need for technical expertise
- It works "straight out of the box"
- Form-driven for ease of use
- Already prepared to Australian heritage standards
- No need to re-enter data – Your current information can be imported for you
- Internet connection is optional but can be beneficial for remote assistance

Getting Help

- Friendly folk at the office, with a name! (No "press 1 for...")
- Rew & Sally-Anne know about computers, heritage collections and of course Collections MOSAiC
- Rew & Sally-Anne talk plain English & Rew speaks fluent "Geek-speak"
- Low cost annual Support plans
- We listen and own the problem until it is solved
- We have the means to connect remotely and help interactively

Getting to know how

- Training courses (in plain English) are held virtually or face-to-face
- We enjoy getting to know our clients and their collection
- We love to pop in and visit

Getting online

- An internet option is available and is low cost - MOSAiC Online
- No need for technical expertise
- No expensive web site to maintain
- Transferring the collection online is quick and easy
- Let your collection be harvested by TROVE
- Control of the records uploaded is easy and within your control
- You own the online data
- Only a copy of your data is online. The original is still safely on your computer.

Getting further

- Attach any number of files, of any type to enhance your records
- Extensive additional features are ready for "switching on" when needed, at no extra cost and without technical help – You Are In Control!
- MOSAiC grows with you! Start simple and expand in stages

Build a pedestal and make your collection shine!
